We can use Donald's \$1,000,000 at this time, as nothing will be available in the website for at least 7 days. In the meantime please put together a list of the Iowa veteran organizations you have in mind along with dollar amounts. Once received I will cut the check and give them to the boss.

Allen –

Is there any way we can make some disbursements this week while in Iowa? Specifically on Saturday.

Understood. Someone has to decide on how much will go to each. We won't have all the money until the week of February 8<sup>th</sup>, but we can begin distributing most of the money once collected which I'm hoping will be next week.

Understood but how much to each group is the question.

I think we should get the total collected and then put out a press release that we distributed the \$\$ to each of the groups.

We should start thinking how you want to distribute the funds collected for the Vets. Hopefully, we will have all the money collected by early next week between pledges and the website.
